27	State transferred historical information on open cases. Specifically, it included information on: date of first removal, total number of removals, and whether the child's mother was married at the time of the child's birth. If the case was open at the time of conversion, information on the number of placement settings was included.	3	As a result of the case file review, there were cases identified that were missing earlier, or multiple, removal episodes.	Instruct case workers to check each open case for prior removal.
